

# ACT PREP

## FREE College Readiness Prep Course

### Instructions:

- Get individual student password from high school administrator or teacher.
- Website Address: winlearning.com
- Go to top/left of page: “Log In”
- Select: “WIN Career Readiness System”
- Enter in student username (example: john.smith@stu.floyd.kyschools.us) & password (provided by each high school)
- Students can log into:  
“College Readiness” under courses (for ACT prep)
- Select one of the five tests to begin coursework.  
(Pre-Alg, Alg, Geometry, Reading, Writing & English)
- Each student will need to take the “Pre-Test Intro” and the “Pre-Test” to determine the level of coursework.

Allow enough time to finish each “Pre-Test”, *in the event of restarting the test, no answers will be saved.* The level of coursework for each student will be based on the results of the “Pre-Test”.

The practice courses will prepare students for three of the four tested areas of the ACT: Math, Reading, & English
